HealthTrust Annual Member Meeting & Board Elections
December 1, 2022 – Time: 9:00 AM
LOCATION: 25 Triangle Park Drive, Concord, NH

Your Vote Makes a Difference!

By casting your vote in the election of the board of directors you help to ensure that HealthTrust's mission, vision and values remain at the forefront of all we do. A strong, diverse board is critical to HealthTrust's future. Board members develop HealthTrust's strategic goals, make decisions about HealthTrust products and services, and ensure HealthTrust is accountable to its Members.

Open Board Seats and Nominations

The following four seats on the HealthTrust board are up for election this year. Each position has a three-year term.

- One (1) for an employee official;
- One (1) for a municipal public official; and
- Two (2) for a school public official.

Each Member Group is entitled to cast one vote for each director seat. All votes must be cast in-person at the HealthTrust Annual Member meeting.

Go a Step Further: Serve On Our Board!

If you would like to serve on the HealthTrust board, please complete the application available at <https://www.healthtrustnh.org/who> and submit it by the deadline of September 22, 2022. If you feel someone you know would be a good candidate, please share the information in this letter with them. Please note:

- All eligible individuals can be nominated, including current board members.
- To be eligible for a "public official" seat on the board, an individual must either be a publicly elected official or hold an administrative position of department head or higher.
- At least two-thirds (8) of board members must come from Member Groups actively participating in at least one HealthTrust coverage line.
- Only one person may serve on the board from any one Member Group.

Please visit <https://www.healthtrustnh.org/who> for more information about board service and qualifications.

All applications will be reviewed by our Governance & Nominating Committee at their meeting in October. The recommended slate will be posted on the HealthTrust website on October 28, 2022. Additional nominations may be made from the floor at the annual member meeting.

Who Can Vote at the Annual Member Meeting?

The governing board of a Member Group, by resolution, can appoint whomever it wants to cast the Member's vote at the annual member meeting. However, in order not to disenfranchise Member Groups whose governing boards do not adopt such a resolution, the HealthTrust bylaws provide that the Member's top administrative official (for example, superintendent of schools, town manager, town administrator, etc.) or his or her certified designee shall be entitled to cast the Member's vote if the governing body does not adopt such a resolution.
